

Cover for liabilities to cargo owners which fall outside of an operator's P&I policy.

What can be covered?

Liability to cargo interests arising out of:

- Carriage of cargo on deck against an underdeck bill of lading
- Carriage of cargo shipped on vessel other than that named in the bill of Lading
- Vessel deviating from her contractual geographical route
- Dry-docking or repairing a vessel with cargo on board.

Limitations & Exclusions

- Deductibles as agreed
- Warranted no "hot work" to be carried out in vicinity of cargo when dry-docking or repairing a vessel with cargo on board.

Conditions of cover

The Assured must exercise due diligence and take all reasonable and practicable measures to prevent and minimise loss, including ensuring rights against the shipper, charterer, receiver or any other party are fully protected.
